

## DANGEROUS GOODS NOT PERMITTED FOR SHIPMENT

In accordance with International Law (IATA Dangerous Goods regulations) the goods listed below are classified as DANGEROUS GOODS and are not allowed for shipment by airfreight. Such items may be shipped by Sea or Road freight in some instances - but significant extra charges would be incurred.

In the UK the Civil Aviation Authority (CAA) is responsible for compliance with these rules. Failure to follow these requirements may endanger the aircraft and the lives of its occupants and could result in the prosecution of the person contravening these rules.

Please complete this form to confirm that none of these items have been included in this shipment. **Failure to complete this form will result in your consignment not being sent.** All items travelling by air are x-rayed to check for dangerous goods. If such items are found in your shipment it will be returned from the airport and refused permission to depart. **You will also incur a £75 penalty charge.**
